

Papa's Tapas

Banquet Policy

Thank you for choosing Papa's Tapas for your banquet. Due to the very small size of our restaurant, we must treat groups of 9 guests or more as a banquet. In order to provide your party with the quality of food and service you should expect from Papa's Tapas, please help us prepare in advance for your party by doing the following.

- *Our restaurant is small and normally full during the dinner service. In order to guarantee suitable seating we ask that you reserve for your party at least one day in advance.*
- *The chefs enjoy designing a custom menu just for your party. Please see the chefs when you make your reservation to prepare a custom menu based on your party's size, budget and food and beverage preferences.*
- *A 20% non-refundable deposit is due once your menu has been decided upon by you and the chef(s).*
- *Cost of your banquet is based on the **number of people you have reserved for at the time of booking**.*
- *A standing banquet service charge of 10% will be added to your bill so additional tipping is unnecessary.*

It is our sincere desire to make your dining experience as enjoyable as possible. If you have any special requests, eating restrictions, food allergies etc., please let us know in advance. Again, thank you for making Papa's Tapas the restaurant to host your special occasion.

Sincerely,

Papa's Tapas Management Team
